The above appointments are effective immediately and remain in effect until appointments are announced for 2010-2011. As outlined in CAM 171, each campuswide standing committee will be requested to submit an annual report to the President with a copy to the University Committee on Committees at the conclusion of the academic year. Attached is an outline of the Administrative Advisory Committee on Computing function and membership. New members are urged to consult their predecessor for background information on this committee.
