Committee members are reminded of the importance of communicating with their constituents on issues of interest. The effectiveness of standing committees is directly related to timely input from represented groups.

The above appointments are effective immediately and remain in effect until appointments are announced for 2010-2011. As outlined in CAM 171, each campuswide standing committee will be requested to submit an annual report to the President with a copy to the University Committee on Committees at the conclusion of the academic year.

An outline of the function and membership of the Coordinating Committee on AIDS and HIV Infection is attached. New members are urged to consult their predecessor for background information on this committee.
