Committee members are reminded of the importance of communicating with their constituents on issues of interest. The effectiveness of standing committees is directly related to timely input from represented groups.

The above appointments are effective immediately and remain in effect until appointments are announced for 2010-2011. As outlined in CAM 171, each campuswide standing committee will be requested to submit an annual report to the President with a copy to the University Committee on Committees at the conclusion of the academic year.

Attached is an outline of Intellectual Property Review Committee's function and membership. The dean of Research and Graduate Programs shall convene the first meeting, at which time a chair will be selected by the committee for the current year.
